

World Wise Foods Group

Source Fisheries, April 2023 – March 2024

As part of World Wise Foods commitment to transparency, we share information on where our fish is sourced from on an annual basis on our company website.

The World Wise Foods Group has a clear process for the approval and risk assessment of fisheries and fish species which aligns with the Sustainable Seafood Coalition Codes of Conduct; all our fish is responsibly sourced.

The information below shows the fisheries we have sourced from in the 2023 – 24 Financial Year.
